Deluxe+ Docks

The Scandinavian stage 1
multi-functional baby dock.

DockATot® Deluxe+ Dock

The DockATot Deluxe+ dock is an award-winning multifunctional docking station for babies 0-8 months old. The Deluxe+ dock is the ideal spot for babies for supervised lounging, playing, cuddling, diaper changes and tummy time. Created to mimic the womb and voted as a must-have baby product from parents around the world, it can be used around the house and is ideal for travel. The Deluxe+ dock passes robust testing to ensure a safe environment for little ones. Made in Europe. Features include air permeability and Oeko-Tex Standard 100 Class 1 certification (testing for harmful substances)

Testing and Certification

- Designed and tested for durability to help withstand curious babies (16 CFR 1500)
- All docks are air permeable (British Standard 4578)
- Pad and tube are tested for firmness (BS 4578, ASTM D3574)
- World-leading testing for harmful substances (Oeko-Tex Standard 100 Class 1)
- Additional testing for the presence of harmful phthalates and heavy metals
- Tested for toxins in packaging to be environmentally-friendly
- Tested for flammability safety (16 CFR 1632)
- All docks are tested to stringent UK flammability regulations (British Standard 4578)
- Tested to more than 10 standards for fabric performance, including seam strength and fabric burst strength
- Tested to 6 colourfastness tests, including saliva, dry rubbing, and wet rubbing
- Tested for durability against holes and tears as a result of teething babies

Exterior Dimensions:

29 inches (73.7 cm) L (Buckle closed) x 18 inches (45.7 cm) W

Interior Dimensions:

approx. 22 inches (55.9 cm) L x 8-1/2 inches (21.6 cm) W

Additional covers are available for purchase to match your mood, room and style . Accessories for the Deluxe+ Dock include the DockATot® Toy Bundle and Cabana Kit.

Grand Docks

The Scandinavian Stage 2
sleeping and lounging dock.

DockATot® Grand Dock

The DockATot® Grand dock is our stage 2 lounging dock, 50% longer and wider, for tots age 9 months to 36+ months. The Grand size is an essential go-to spot for tots lounging around the house or when traveling. The built-in, air permeable side on the Grand dock gives little ones a familiar sense of security. For older tots, the Grand dock will help ease a child into their new setting when they are otherwise ready to sleep in a toddler bed. It provides a comforting and safe environment. Made in Europe. Features include air permeability and Oeko-Tex Standard 100 Class 1 certification (testing for harmful substances).

Testing and Certification

- World-leading testing for harmful substances (Oeko-Tex Standard 100 Class 1)
- Additional testing for the presence of harmful phthalates and heavy metals
- Meets or exceeds children's product safety regulations (US CPSIA 2008)
- Tested for flammability safety (16 CFR 1632)
- Designed and tested for durability (16 CFR 1500)
- Tested for compliance with California Proposition 65
- Air permeable (British Standard 4578)
- Tested to more than 10 standards for fabric performance

Exterior Dimensions:

24" (60.96 cm) W x 48" (121.9 cm) L

Interior Dimensions:

approx. 12" (30.5 cm) W x 34" (86.4cm) L

Additional covers are available for purchase to match your mood, room and style.

Toy Bundle for Deluxe+ Dock

Now bundled! Make it playful with a mobile toy arch and toy set.

Toy arch: The mobile toy arch is the perfect complement to our Deluxe+ Docks. The mobile toy arch allows for babies to be actively engaged and entertained while safely lounging. Babies will love reaching for and playing with the dangling crinkly toys, which will help strengthen their muscles, encourage fine motor skills, and stimulate their imagination.

Toy Set: Bring your little one's favourite animals home with our trio of toys, created for use with the DockATot Deluxe+. The three crinkly toys promote sensory development.

- * Includes Toy Arch and Toy Set
- * Mobile toy arch allows babies to actively engage
- * Promotes sensory development

Nursing Pillow

Make feeding time into a fashion statement.

What make the La Maman Wedge Different

PORTABLE

Built-in handle allows parents to easily transport the La Ma man Wedge while their hands are full.

MULTI- PURPOSE

Doubles as a decorative pillow after baby has grown. The chic prints, tassels, and trims elevate any space

CONCEALED ZIPPER

For a seamless feel that's comforting for both baby and mom.

SUPPORT YOUR POSTPARTUM RECOVERY

The curved designed snugly fits postpartum bodies of all shapes and sizes while reducing strain on mom's back and arms.

UNIQUE ERGONOMIC SHAPE

The tapered wedge shape differs from the traditional U-shape in order to offer maximum comfort for parents in multiple feeding positions. The filler, rounded edge supports baby's head while the tapered edge easily tucks beside your body without being too bulky.

COMPLEMENTARY GUIDE

Comes with a handy feeding guide to support feedings across various positions, such as the cross-cradle hold, football hold, and bottlefeeding.

REMOVABLE TASSEL

(Currently Chambray styles only).

WASHING INSTRUCTIONS

Spot clean or dry clean only. Do not tumble dry. Do not iron. Do not bleach. Chambray covers are machine washable.

MADE IN GREECE

European-made, high quality and craftsmanship.
